As of April 1, 2025, we are merged with **Bloom Credit Union, a division of WMCU**. Both organizations will continue to serve members as they are now, keeping their individual names. West Michigan Credit Union is now “**West Michigan Credit Union, a division of WMCU.**”

- New Bill Pay Option
- New Interest Rates & Fees

What won't be changing for our membership?

While a few things may be changing, many things will remain the same:

- Member Numbers: Your membership numbers will NOT change.
- Debit/ATM, Credit Cards and Checks: You can continue to use your current West Michigan CU Debit/ATM cards, credit cards, and checks as usual.

Community News

Giving Tree Books

We partnered with Giving Tree Books to help every child in West Michigan have a book to call their own. In March, we visited Harrison Park Academy in Grand Rapids and donated over 400 new elementary-level books to their students. Our team will be visiting four additional elementary schools across West Michigan throughout the year.

We will be collecting monetary donations at all of our locations to continue supporting Giving Tree Books' mission of promoting children's literacy in under-resourced communities in Michigan.

Thank you to our members for supporting this organization and helping our community!

Switch to New Bill Pay to Recieve \$10

A new bill pay system will be introduced on April 1, giving you a more user-friendly interface for paying your bills. The platform provides for new technology accessible in both the mobile app and browser-based online banking, as well as increased ability for West Michigan CU team members to assist you with any problems you may have.

When you switch your Bill Pay to the new platform between April 1 and April 30, 2025, we'll transfer \$10 into your account.
