

Change in Terms Notice

Effective January 7, 2019

West Michigan Credit Union has made changes to its Electronic Funds Transfer (EFT) Agreement and Disclosure. Currently, we are a part of a few ATM Networks: Jeanie, PLUS, Pulse, and Nyce. In an effort to save our members money, going forward in 2019, we will only be a part of the Jeanie Network.

The updated disclosure is available at WestMichiganCU.com > Services > Latest News or contact us for a printed copy.

Visit WestMichiganCU.com/debit to find a Jeanie ATM near you.
