Community News

Helen DeVos Children's Hospital Radiothon

We were proud to sponsor the Helen DeVos Children's Hospital Radiothon again to help raise critical funds for patients and families that need it most. With the help of the community, the Helen DeVos Children's Hospital Foundation surpassed their goal and raised **\$551,476.28** to provide high-quality and safe health care for kids in West Michigan and beyond! We were honored to do our part in making sure children get the care they need today to ensure a healthy tomorrow.

Angel Tree and Toys for Tots Toy Drives

For the first time, our team members got involved and decorated their own ornaments for members to "purchase" and go towards the toy drive. We were able to buy even more toys to donate from the monetary donations we received from an ornament "purchase." The generosity shown by our members and team members this year was outstanding and much appreciated by your community. Take a look at our team member's ornaments and the gifts we received!

Thank you!
