

Upcoming Bill Payment Changes

On May 14, 2022, your current Bill Payment with WDMCU will no longer be active. Your current Bill Payment will not transfer over to West Michigan Credit Union during conversion and you will need to re-enroll. To ensure that all of your recurring payments are made on time, be sure to take action on May 15, 2022 or shortly after.

Your payees will need to be added manually. It is important that you take the time to document all current payees in your Bill Pay to make your enrollment as seamless as possible. Correct documentation will help you in entering all of your payees correctly after enrollment.

A reminder email will be sent closer to our conversion date.

Visit WestMichiganCU.com/billpay to learn more about WMCU Bill Pay.
